SPEECH

I KNOW WORDS.

You could see there was text coming out of her eyes, text coming out of her wherever. The best taco bowls are made in Trump Tower Grill. I love Hispanics! I know words. I have the best words.

LOREM IPSUM

Lorem Ipsum better hope that there are no "tapes" of our conversations before he starts leaking to the press! If Trump Ipsum weren't my own words, perhaps I'd be dating it.

My placeholder text, I think, is going to end up being very good with women. An 'extremely credible source' has called my office and told me that Lorem Ipsum's birth certificate is a fraud. Look at these words. Are they small words? And he referred to my words - if they're small, something else must be small. I guarantee you there's no problem, I guarantee. You're disgusting.

LOOK AT THAT TEXT!

You could see there was text coming out of her eyes, text coming out of her wherever.

I'm the best thing that ever happened to placeholder text. This placeholder text is gonna be HUGE. We have so many things that we have to do better... and certainly ipsum is one of them.
